Our Hearty Pancake Party is raising money for Vital Signs Foundation (VSF), a heart screening charity. It was formed following the tragic and sudden death of Chris Haw aged just 25 from Sudden Cardiac Arrest. He was a fit and healthy young man who presented no previous heart conditions whatsoever. Their goal is to deliver a successful FREE heart screening program across the North West of England to reduce the number of sudden young deaths in the UK from undiagnosed heart conditions - let's support them!
